Dear Sir:

This is in response to the Notice to File Corrected Application Papers ("Notice") mailed July 25, 2008 in the above-identified application, a copy of which is enclosed. Such Notice states that:

"In the drawings filed Dec. 13, 2004: Legends in FIGS. 9a and 9b are in French. The English language is required.

Any amended replacement drawing sheet should include all of the figures appearing on the immediate prior version of the sheet, even if only one figure is being amended."

In response to the Notice to File Corrected Application Papers, we enclose one (1) Replacement Drawing for FIGS. 9a, and 9b for filing in connection with the above-identified patent application. Such Replacement Drawing includes the English language, and is believed to satisfy the objection.

It is also respectfully submitted that the present Amendment is in compliance with 37 CFR 1.121(d), and an official statement to that effect is respectfully solicited.

If the Examiner has any questions concerning this application, the Examiner is requested to call Applicants' attorney at (908) 654-5000. If any fees are required by the present Response, the Examiner is hereby authorized to charge them to our Deposit Account No. 12-1095.

Dated: September 10, 2008

Respectfully submitted,

By Scott Charney
